

## Historian West Shares Swimsuit Stories

Although **Patsy West's** topic was "Bloomers, Bikinis and Berkinis" at the Annual

Scholarship Luncheon held on February 6, this is not the subject matter for which she is best known. For 40 years, Patsy, a self-described ethno-historian, has collaborated with the Seminole and Miccosukee tribes for publications and projects encompassing some 250 years of tribal history, culture, and art. She is a 4th generation Floridian and was born in Ft. Lauderdale. If you "Google" her, you'll discover several books on **Ama-**

**zon.com** that she has written. Numerous articles dated from 1989 to the present discuss her many speaking engagements. She even taught grades K-12 at one time! She is, as **President-Elect Echo Heyer** described her, a true "Renaissance Woman." Her interest in swimsuits and their history began with a swimsuit made for her father by her grandmother. He was a swimmer for **Fort Lauderdale HS** as a member of the Class of 1933! She once bought 90 wool swimsuits - which weighed a total of 50 pounds! She traced the metamorphosis of the swimsuit from the early

20th century "bathing costume" which was basically a

full body-covering outfit to the "itsy-bitsy-teeny-weeny bikini of today. She also showed a photo of the "berkini" - a combination of the Muslim burka with a swimsuit.

### Drago, Smoot Present Memorial Service

Each year at the February Luncheon, BCREA takes time to remember the members who have passed away in the previous year. **Frances Smoot** first read a poem entitled "The Gentle Gardener" by Edgar A. Guest.

And then as she read each name, **Darcy Drago** added a white rose to a bouquet. This year the nine who were honored were

**Rita Burns, Lily Diekman, Evelyn Flemming, Margie James, Helen Lyons, Kathy Pierce-Gaus, Agnes Schnierer, Brenda Shannon and Catherine "Kay" Vetro.**

## President's Corner

Going out to lunch is fun, but going out with 133 retired educators and friends is an event!! The tables were set, the name tags were printed, the programs were in place, the bathing suits were on display, and the raffle gifts were on the tables. Our Annual Scholarship Luncheon at Tropical Acres was all set to begin! Once the guests arrived, the fun began. What fun it was to see so many friends greeting each other with hugs and smiles. The food at Tropical Acres is always delicious with excellent service. On top of all this, we had Black Forest Cake for dessert, won great door prizes (including cuddly Teddy bears ) and got to see some BCREA officers in their bikinis and Francis Smoot in her beautiful purple hat. You know that this took the efforts of many people. Thanks to everyone who did their part.

Special pats on the back to Echo Heyer, Bev Hoppe, and the Bright Star Credit Union. The real winners of the day will be the students who receive scholarships from our organization.

## President-Elects' Corner

Our Scholarship Luncheon was very well attended. The speaker **Patsy West** is a most interesting person. I think of her as a "woman for all seasons". She is a South Florida pioneer and is director of the Seminole/Miccosukee Photographic Archives in Ft. Lauderdale. She has written many books about the Seminole and Miccosukee Tribes. Patsy spoke on the change of the bathing suit to the swim suit and how it mirrors the changes that happened to women from the early 1900s to the 1960s.

Patsy brought some of her large collection of bathing /swim suits. On display was a very heavy, large wool suit on one end and on the other, a bikini. She is in the process of writing a book on the evolution of the bathing suit to swim suit. Patsy West is a very good presenter and very knowledgeable about South Florida. Next month we will have the **Villagers Men's Chorus**. They are led by **Ron Davis**, a fellow educator. They have a wonderful program to present for us.

Thanks to the generosity of the luncheon attendees, we raised a net of \$586 (we purchased \$100 in gift certificates for the event) at our February Scholarship Raffle. That will go a long way toward our scholarship fund for this year. This is the largest single event to raise money for scholarships. Thank you to everyone who contributed by purchasing raffle tickets. Appreciation is also extended to those who donated to the Scholarship Program even though they could not attend - and also to those of you who gave extra when you bought your luncheon ticket. The Bright Star Credit Union gave a check of \$2000 at

the luncheon. By using this money for some of our operating expenses (to underwrite the Newsletter and Directory), we are able to channel more of our money for scholarships. We are so appreciative to Bright Star and to our liaison, Marjuree Larin, for the continued support. As we start to collect dues for the upcoming year, please consider adding an extra \$5, \$10, \$25 or more to your check for our scholarship fund. Remember that donation is tax deductible. It all adds up! Remember, also, to bring in three new members to get a \$25 gift certificate!

A record 135 bought tickets for the 2014 Scholarship Luncheon held at Tropical Acres on February 6. There were a few who had planned to come but couldn't: **Anne French** didn't make it because she got pinkeye! Thanks to **Pat Roberts** and **Joann Corder** for selling the FREF Extravaganza tickets in her absence! **Rosa Parra's** sister-in-law died suddenly and she flew to be with the family. **Rita Sanderson** was under the weather so husband **Glenn** took her meal to her! **Nancy Ruiz** is still in the hospital but is trying her best to keep up with her job as Sunshine Chairman! Condolences to **Sylvia Milks** whose husband passed recently. On a happier note, **Warren Cox** and his wife **Ella** have recently relocated to **Covenant Village**. He says, "CV is beautiful. We are in independent living and know we will be happy here. It took me about 30 years to make up my mind that we should move here!"

The deadline for the Fifth Grade Literacy Contest has passed and we are getting close to selecting a winner. Thanks to all the Literacy Committee members who have been reading the entries and making difficult decisions as they choose the first place essay. **NEEDED NEW and GENTLY USED CHILDREN'S BOOKS.** It's not too late to bring books to the next meeting. All books will be donated in May, so you can bring a book to the March, April and May meetings. Better yet: bring a book to each meeting. We currently have 85 books and it would be great to donate 100 books or more. Donating a book is rewarding; you know that you are helping children develop a love for reading. *Sandy*

### 2 Cats Need Home

Two sister-cats are in need of a home. They are almost two years old and both are very playful. "OneZee" is shiny black with white near her eyes and on her belly and "Princess" is a silver grey with gorgeous green eyes. The sisters would be just great companions for anyone but should not be with other cats. They are indoor cats and have never been out. My son, Gary, raised them from birth; however, he is ill and feels he can no longer care for them. Call me if you're interested. Arline Ziller - 954-781-4445
