Health & I+PS

Chairman: **Kathlyn Barno**

Welcome back to another season of information and comradery. I hope these little tidbits that you read in these articles each month will continue to help you in some way. We will again have our blood drive which will begin in November. The cost to enroll is still \$2.00. This will entitle you to two pints of blood, if needed, in any hospital in the country.

The following statements are taken from a newsletter published by Prescription Pathway, a Medicare prescription drug plan: A Yale University study found that people who have

a positive outlook live 7.5 years longer than those who have a negative view of their future. They may also have the ability to overcome pain and fewer complications after surgery than patients who have a negative view. It is advised that you anticipate favorable outcomes, filter out negative aspects of situations and replace negative thoughts with positive affirmations. Tell yourself that you are strong enough to overcome any adversity that you may encounter. As the song says "Don't worry be happy."

Chairman: **Rosetta Watkins**

Our unit (BCREA) will once again participate this year in the Fifth Grade Essay contest, a "Special Project" endorsed by FREA. New essay guidelines for teachers will be forthcoming from the FREA.

and math skills of children and adults counts as literacy. Please bring all of those literacy hours you accumulated over the summer to the October meeting. You may also report your Literacy Volunteer hours to me via telephone (954-584-8719) or E-mail (mamarowat@aol.com).

At the State Assembly, FREA President Ed Ethridge holds a check for \$11,699,603 made out to the State of Florida. That's the amount of money the state saved because of the 518,830 volunteer hours contributed by FREA members! This would be the total at \$18.77 per hour. We DO make a difference!

Broward Center Needs Volunteers

Becky Irwin, Manager of Volunteer Services, is looking for volunteer ushers. She says, "We have many former teachers among our volunteer ranks. As a former Broward teacher, you may be familiar with the SEAS program for school children. SEAS (Student Enrichment in the Arts) is our signature program in its 16th year where school children from all over Broward County come to the theater as a school field trip and see shows for free. Volunteers come in the mornings to help usher the kids to their seats. It's a great program and it's fun for the volunteers too. We have found that teachers make some of the best SEAS volunteers! (SEAS volunteers work 8:45 AM - 1 PM and enjoy complimentary breakfast too!) We will have orientations for new ushers on September 25 at 6 PM. Applications can be found and filled out online at our website: Broward Center Volunteers. Also, SEAS will invite interested volunteers to attend SEAS shows the first week of October. I hope that some of your members will be able to join us! Call me at (954) 468-2683 if you're interested.

Thanks to **Frances Smoot** for the photos from the Assembly!

Membership...

Chairman: Susan Lochrie

Quite a few members have not paid their dues for the coming year. I was hoping to avoid sending reminder notices due to the increase in first-class postage, but it seems I will have to do so. To be included in our 2007-2008 Directory, you must have paid your dues by Octo-

ber 15. Members who joined after March 1 are considered paid for this year. **Members who have not renewed local dues for the past 2 years will be removed from the Newsletter list after the October meeting.**
Susan

John Lyzott Dies Suddenly!

Nominating Committee Chairman **John Lyzott** attended the September 6 BCREA Board meeting and was "the life of the party" with several humorous suggestions and comments.

Thus, it was extremely shocking to members to learn that he was found dead in his home later the same day!

According to a very brief obituary in the *Sun-Sentinel*, the Neptune Society is in charge of his care. No information regarding the cause of his death or a memorial service is known yet, but will be reported on the website when it is.

Bev's Bytes..... In case you aren't aware of it, BCREA now has a website:

<http://browardrea.org>

I'm trying to update it whenever new information becomes available. Since we don't meet from the May meeting until October, it's a particularly good tool to communicate in the summer. If you have access to e-mail, check it out. AND, if you haven't received an e-mail about it recently, it's because I don't have your e-mail address. Please send it to me at HapiHopi@aol.com so I can include you in our list. You can even get our Newsletter in color in pdf format and read it online or print it! I've registered for the Senior Health Expo to get an osteoporosis screening! If you haven't already registered, the deadline is October 2. There were 5 winners of \$100 in the FREF drawing at the State Assembly - and BCREA member **Theodora Williams** was one of them! That's the 2nd year in a row our unit has had a winner! Last year I won! Pretty amazing when you consider there are more than 50 units in the entire state! And that's the last byte for this month!

Bring this to our next meeting or mail it to:
