Anita says, "Join VIP and Volunteer at a Park!"

Missing February Newsletter Explained

If you blamed your postman when you didn't get a *Newsletter* last month, you owe him an apology! The fault lay with the printer who "lost" it! For those who have access to a computer, you can find a copy on the *Newsletter* page of the website <http://browardrea.org>. Go to your local library and use one of their computers if you really want to see what you missed. The printer has assured your editor that this won't happen again.

"If you volunteer with us, You get a tee-shirt!" promised March speaker **Anita Zeigler**. She went on to say, "Parks provide a place for family activities and they are trying to increase what they offer. But it's not easy in our sagging economy. They're trying to keep the quality with fewer people and that's why they need volunteers. Some programs wouldn't even exist without volunteers. There

are several ways to serve - come once or come regularly!

We're happy to have you whenever you have time. You can volunteer as a group or individually." To find out more information, visit their website <http://broward.org/parks>.

Councilman Pete Tingom Stops By - Pete Tingom, a 38-year veteran of Broward County Schools, was principal

of Plantation HS for 10 years before he retired and was elected to Plantation City Council in 2009. He came to the meeting to encourage members to contact state senators **Jeremy Ring** (954) 917-1392 and **Ellyn Bogdonoff** (954) 467-4205 regarding Senate Bill 1130, which deals with the state retirement issues. Go to <http://myflorida.com> for information on the bill.

2011- 2012 Officers Announced

At the March meeting, representing the Nominating Committee, **Bev Hoppe** announced the slate of officers for the 2011 - 2012 Club year. This year's president **Margarite Falconer**, will again serve as president;

Barbara Morningstar will also re-

peat as vice-president. **Josephine Walker** will join the Board and fill the position of secretary for the coming year; and

Marelise Le-Clerc will serve her 2nd year as treasurer. As there were no further nominations from the floor, the slate was accepted by acclamation.

President's Corner

Great turnout for having the 1) wrong date listed on the e-mailed **Newsletter**; and 2) no printed **Newsletters**! We had 73 at the meeting and we all really enjoyed **Anita Ziegler's** talk on our parks. Most of us take a "park" for granted. We've always had them. But like everything else they're endangered. If it's been a while since you've "taken a walk in the park" go for that walk. Besides nice scenery it's good exercise. Just getting some fresh air in the ole' lungs goes a long way toward healing whatever is bothering us. We need our parks and they need us. Just increased visiting will let the powers-that-be know we care and want to keep them up. Whatever we can do personally will help keep 'em green.

On another note, Marelise LeClerc, Susan Lockrie and I will go to Orlando June 1-3 for the FREA Annual Assembly. We're looking forward to getting up-to-the-minute information about what's going on with the state of our retirement funds and the legislature's latest run at them. Our funds seem safe enough; it's the new kids on the block that may not get long term retirement funds.

At the assembly there will be a place to show off what we do hobby wise. Those of you who crochet, knit, sew, needlepoint, embroider, sculpt, paint, etc. please bring an item or two to the next two meetings so that we will have something to show off at our booth. We are very proud of all your talents and look forward to sharing that with other chapters.

I wish we could bring some samples of your cooking. You outdid yourselves this time with the good food. What a spread! See you in April,

Marguerite

Vice-President's Corner

Officer **Bob Wilkins** from the Plantation Police Department will be speaking on some very important issues at the April meeting.

As we welcome new members, our need for more calling committee volunteers also increases. Most of the callers call 2 pages of members. We have been joyfully adding retired educators monthly, so we are looking for more volunteers. As we plan for next year, please

call or e-mail me. We can use your help! And thanks to all who have helped this year - you do a wonderful job! Thanks especially for everyone's good work in contacting members when there was no printed *Newsletter*!

Health & I+PS

Chairman: Kathlyn Barno
954-581-4731 BB9214@aol.com

Springtime signals a new beginning, a fresh start. We get busy cleaning out closets and garages and taking inventory of our household goods. We get rid of things that we no longer need and make a list of things to acquire in order to improve our lives. While you are doing this how about taking an inventory of your health practices -- get rid of the bad ones and make a list of things we need to do for improvement. **Remedy Magazine** has suggested some things that we can do to help out:

Buy the freshest vegetables. Pick up some from a local farm every week.

Boost your immunity with yogurt. Yogurt has good bacteria to fight

colds.

Burn calories in the garden. Pulling weeds and planting flowers can burn 300 calories an hour.

Prevent spring allergies. Try an over-the-counter antihistamine or a prescription.

Get any booster shots that you may need

Stop smoking. Medicare now covers smoking-cessation therapy.

Squeeze lemon into your tea. Black tea can help fight disease but drinking it with a meal decreases iron absorption. Add lemon and the vitamin C helps your body metabolize this energizing mineral.

Know your family's health background. This will help your doctor assess your risk of heart disease, diabetes and certain cancers. Be healthy. Enjoy life.

Lee Henschel couldn't make the March meeting as she recently had shoulder surgery. Both **Margarite Falconer** and **Linda Horton** have had to make trips to help ailing relatives. Sadly, just after Margarite came home, her 93-year-old mother passed away and she had to return for the funeral. And poor Margarite! She also has Shingles! If you didn't go to *Ella* at Parker Playhouse, you missed a really good performance. A lady named **Tina Fabrique** did an almost-one-woman show with a 4-piect combo of terrific jazz musicians! What a voice! We had 73 at the March meeting - even if the *Newsletter* didn't make it to some - the Phone

MEMBER SPOTLIGHT: Thelma & Ken Hendricks

By Susan Lochrie

Prior to their move to Naples, Florida a few years ago, Thelma and Ken Hendricks were a vital part of BCREA. They both served as President for a combined total of 8 years! Ken was President from 1988 to 1990 and again from 1992-93 and Thelma then served from 1993 to 1995. Thelma started the *Newsletter* and edited that for at least ten years.

They have always enjoyed doing things together. For many years, this married

couple taught in the same high school and even in the same art department: at Fort Lauderdale High School. One summer Thelma and Ken wrote the High School Art Curriculum for the County. Ken retired in 1983 and Thelma in 1986. Thelma was originally from Parkersburg, West Virginia and Ken hailed from Cincinnati, Ohio. They met at

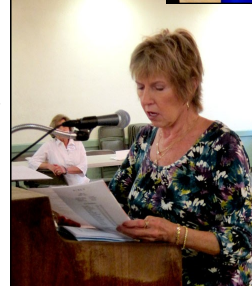

Ohio University in Athens, Ohio, where they were art majors. Later they attended Florida Atlantic University for their Master's degrees.

Their son and his family live in Naples. Ken and Thelma own their own home there, with a garden. However, Ken says they don't do as much of their own gardening as they did when they lived in Ft. Lauderdale. They mainly enjoy looking at the flowers and plantings. Both still enjoy sketching. Thelma and Ken are still a partnership in everything they do.
