

## Adventurers, Athletes and Musicians! Oh My!

**Suzanne Jones**, former food editor at the *SunSentinel*, was scheduled to speak at the January meeting; however, due to some health issues, she had to cancel. President-Elect **Echo Heyer** came up with a new program which proved to be informative and lots of fun! She contacted 20 members and asked them to tell her something about themselves that few people knew! She distributed the list to everyone and gave them 15 minutes to find those who fit the state-

ments. President **Diane Texter** revealed a clue about the #8 statement "Was prom queen" by wearing her original tiara! Number 1 on the

list was "Is a guide at the Bonnet House.." As it turned out, 2 members fit this category: **Susan Lochrie** and **Ann Graves**! **Nancy Howell** (#17) was raised in Chicago's Chinatown! 100 years ago, the area had been German. Her great-grand-

father had started the local funeral home and her family still operated the business even though the area had gradually become Chinese. Most of her friends were Chinese and she was the only blond in her elementary school! When she came to Broward as a 4th grade teacher, she gave her students chopsticks and taught them how to use them. **Nancy Adams** (#20) was working 40

hours a week at Pizio's Restaurant to put herself through UM. Her sister, who lived in Syracuse was terminally ill and Nancy couldn't afford to go to visit her. But some of her customers were FtL policemen who found a way to help: she was paid to escort a prisoner who was being extradited to Syracuse!

## President's Corner

Greetings from your President / Prom Queen! If you attended our January meeting, I am sure you found out some interesting things about your fellow members. I learned that **Maralise LeClerc** has the same birthday as Elvis Presley. I can picture **Josephine Walker** standing on the Great Wall of China. I was there myself 10 years ago! Way to go, Josephine! I admire our athletes: **Pat Roberts**, the synchronized swimmer; **Linda Horton**, Volley Ball player for the university of Colorado; **Darcy Drago** who has snorkeled on the Great Barrier Reef; and **Michael Kogan** who swims every day. That's part of what I discovered. There's more! I will now think of **Louise Costello** each time I watch Jeopardy; **Bev Hoppe** when I see re-runs of *The Brady Bunch*; **Doris Cotnoir** when I get an x-ray; and **Charlie Pipes** when I go to church. BCREA celebrates its 50th birthday this year! Think back 50 years in your life and think of one thing you remember about 1965. I was graduating from college! Perhaps, during our celebration, we can get **Kathyn Barno** to play Happy Birthday on the trumpet for us! Keep track of your volunteer hours! See you at the Scholarship Luncheon! *Diane*

The Broward Education Foundation sends us a big "thank you" for our donation of school supplies to the County's Title I Teacher Resource Center. One of our members, **Mary Taylor**, volunteers for this organization. It's great that we can still support education in this small way even though we are retired. Our annual report goes in to FREA in early March so

please turn in any unreported community service hours at our February scholarship luncheon at Tropical Acres so that our unit gets credit for them. Remember that travel time counts.

### Directories

2014-15 directories will be distributed at our February luncheon. Please check your individual listing for accuracy and advise me of any corrections that are needed.

## President Elect's Corner

The latest in that series is *Catnapped!* In *Catnapped!* Fort Lauderdale celebrity socialite Trish Barrymore's no-account accountant husband Mort Barrymore, is found dead and the pedigreed Chartreux show cat is missing. Helen Hawthorne is called in as a private investigator to find the cat and solve the mystery. These days Elaine is making special appearances, and working on her next *Dead End Job* book, and her newest book in her equally successful series *Josie Marcus Mystery Shopper*.

We are still in the midst of the cold and flu season. There are still all kinds of little bugs floating around.. We have to be very careful in order to protect ourselves. Some people take zinc to fight off a cold. According to *Consumers Reports* magazine recent studies show that zinc shortens a cold only by a day or two. There is no proof that it will prevent one or stop its symptoms. On top of that it can leave a bad taste in your mouth or make you feel nauseated. When taken in large doses it can lead to copper deficiency and re-

duced levels of good cholesterol. It has also been known to interfere with various prescription drugs.. The studies show that you should avoid any zinc products that go into your nose. It can make you lose your sense of smell. Don't forget to start preparing for the tax man. Get all of your documents together with the proper proof. Have them organized. If you are not doing your taxes yourself, make your appointment with the tax preparer early.

See you next month

What a wonderful welcome to 2015! Once again the buffet tables were filled with an assortment of delicious items, some favorite old standbys and a few new recipes. Thanks to everyone who picked up your items from the table upon your departure.

ALERT.. At the December meeting we lost a treasured item. It was a vintage, olive green, about 10 inch round (not oval), deviled egg platter. I think it had a small basket weave design around the edge & indentations for ten eggs. It may have been left in a plastic bag on the

circular table in the foyer. We checked the Lost and Found to no avail. I am hoping that perhaps someone might have seen this plate and picked it up with the intention of bringing it back to the next meeting and simply forgot to return it. This precious dish has been placed at each table setting since I have been attending the meetings. I hope that it will be found.

Again, thank you to all who make this luncheon such a success. Wishing everyone a safe and healthy 2015 filled with much love and laughter.

*Sallie*

As we approach our Annual Scholarship Luncheon, I would like to remind everyone that the Scholarship Raffle is the single largest collection for our scholarship fund for the year. We want to continually build our capacity and scholarship program. In order to do so, we do need your help! Bring your \$5, \$10, and \$20 bills to the luncheon to buy tickets for the raffle. It will be fun - and meaningful.

Many thanks to those of you who donated your luncheon cost to the scholarship fund even though you will not be able to attend the luncheon. It all helps as we look to our main goal of sponsoring students in their quest to become teachers!

Happy New Year everyone!! Hope your holiday was a happy and fun one spent with family and friends!! First, I want to thank everyone for their help and support since I assumed the duties as chairman of the Friendship Committee last summer from our friend **Nancy Ruiz**. I am happy to report that her health is improving every day now that she is home, and hopefully she will be able to come to one of our meetings before the summer begins!! Please continue to keep her in your thoughts and prayers!

Also, I want to thank everyone who has given me an assortment of cards to use - your donations are really appreciated!! Hope this new year is filled with good health and happiness. However, please continue to notify us of any member you know who reaches the age of 85 or older, has become ill or has passed away so that we can honor them as members of our organization with our thoughts and prayers. Thanks again for your help - I am so proud to be a member of our organization. You all are terrific!
